Grade context letter

Sample University (fictional) · Department of Computer Science

To whom it may concern,

This letter explains the grading system used for **Tania Rahman**, who completed the MSc in Computer Science in 2025.

- The university uses a 4.00 scale. A CGPA of 3.72 is in the top 5% of the cohort.
- Her class rank is 3 of 60.
- A grade of A+ equals 4.00 and is awarded for 80% and above; there is no higher grade.
- Grades are not directly equivalent to those of other countries. We ask readers to use the university's rules and not to convert them by formula.

Please contact the department office for verification.
